SKILLS

Some skills that qualify me for a position are: I am bilingual, Microsoft Word and Powerpoint Certified, fast paced, quick learner, good communicator, people oriented, and I enjoy helping others.

EXPERIENCE

Saint Mary's Regional Medical Center, Russulville, Arkansas - Volunteer

June 2021 - PRESENT

- In my current position i help with running labs, check in patients, escort and greet patients, and assist in any area where help is needed
- This position his a fast pace and a patient position where you interact with many new faces and have requests at any moment
- In this position i have over 70 Hours of volunteer work

EDUCATION

Dardanelle High School, Dardanelle High School - Current

August 2018 - Present

As a Current high school senior, some classes and extracurricular activities that I have taken and or have participated in are...

- Survey of Business
- Digital Marketing
- FCCLA
- Cultural Heritage Club
- BETA
- Arkansas Tech Career Center for Health Science Technology

These classes and activities are some that have defined characteristics of my work ethic and have taught me important business and work skills

Career Objective

As a Current Senior, I plan to attend college after I graduate and get a degree in Nursing. With this I plan to attend Arkansas Tech University or UACCM, and become a Registered Nurse. With my degree in nursing I plan to work in a clinical setting with a specialty in pediatrics helping children in need.
